BULLETIN B79

Friday 24th June 2022

Monday this week was significant for schools across the country as this coincided with 'National School Sport Week' and, of course, many children will have been taking part in Sports Day events up and down the land. At TPS, we've hosted 3 fantastic events, beginning with our senior competition for Years 5-8 at Walton Xcel on Wednesday, held at a purpose-built facility for the first time in glorious sunshine. This morning saw events for Pre-Prep and, later in the day, for Years 3 and 4 at Kempton which were also a delight to witness, with some superb athleticism and healthy competition between the Houses. In all three events, the staff were particularly impressed with the excellent sportsmanship shown at all times by the children, reflecting our school values. I am immensely grateful to the Sports Department for their incredible efforts this week, led by Mrs Jennings and Mr Jervis, for making the Sports Day events such a resounding success.

With the end of term approaching, there have been a feast of other exciting events taking place at TPS. We've enjoyed two fantastic class assemblies, with 3M and Miss Maddison delivering a very insightful and informative presentation about trees and our Year 8 leavers reminiscing with great humour about their memories from the past 9 years. It's certainly a poignant time for the Year 6 girls and Year 8 boys and we very much enjoyed hosting parents of leavers on Tuesday this week to express our collective thanks as the boys and girls prepare for the next exciting chapter. We've also hosted BOUNCE workshops for Years 2 to 8 on resilience and life skills which were very popular, and there was great excitement on Wednesday for our chess players who had a very successful trip to Aldro and the 2 teams who ventured to the NPL in Teddington, taking part of the Water Rocket Challenge.

On Thursday evening, those of us present were treated to a musical extravaganza in the Hall as our choir and instrumentalists performed a wonderfully eclectic mix of pieces. Where else could you enjoy the Shadows, Herbie Hancock, Bob Marley, Bon Jovi and a kazoos chorus all under one roof? It was enormous fun and the standard of music making was exceptional, showcasing the children's talent and emphasizing the central role of music making at TPS. Thank you to all our wonderful peripatetic teachers and, of course, to Mrs Hill for her inspirational lead.

We wish all the boys and girls in Years 3-8 the very best next week, as it is Trips Week!

Children's Book Project

Children's Book Project Book Collection Drive
18th June to 9th July
Donate pre-loved children's books here

Our local independent bookshop, The Alligator's Mouth in Richmond, is taking part in a book collection drive called 'Pass on the Magic' as a step towards tackling book poverty. One of our parents has kindly offered to deliver any donations from the TPS community to The Alligator's Mouth.

Please bring in any gently used children's books that could be passed on to other families by **Tuesday 5th July**. Many thanks for your support.
